Response to Notice of Drawing Inconsistency With Specification

In response to the Notice of Drawing Inconsistency With Specification mailed January 31, 2006 in this matter, Applicant hereby submits a corrected page 5 to the specification. Applicant respectfully requests that the existing page 5 of the specification be replaced with the attached, corrected/replacement page 5. The only change to page 5 is the addition of language describing Figure 8. No new matter has been added. The antecedent for this language is at page 9 of the specification as originally filed.

Dated: February 9, 2006
